"Thank you so much for our beautiful wreath! It is hanging on our front door—a source of beauty and fragrance and a lovely presence of your blessings."

"I'd like to thank you for the Christmas wreath. The staff and I are enjoying it, it is hung on a place of honor in the office."

"My sister sent our family one of your wreaths. We are in the southern part of Virginia and have had 70 degree days and yet the wreath is thriving. That is a beautiful way to keep Christ in Christmas and we look forward to her thoughtful gift each season."

"The Christmas Wreaths are magnificent and each recipient treasures it. Please let the Sisters who assembled them know that the sturdy beauty of the wreaths indirectly reflects the everlasting truth of their vocations."

"The wreaths this year seem to be particularly pretty. All of you did another amazing job! It is just terrific how these simple, elegant Christmas wreaths bring so much joy to so many people! All because you prayerfully prepare each precious element of them."

"Dear Sisters, I received the beautiful Christmas wreath and it is hanging on my daughter and son-in-law's front door. They are in the process of moving into their new home, the wreath is their first Christmas decoration and it will bless their home."

"I've been getting lots of beautiful messages about the wreaths received. Thought you might enjoy this picture from my sister in Nebraska."

"I know how much hard work and love goes into each of those wreaths, and it is truly appreciated. This means more to my brother than you could know..."
