...But it's not just about wreaths:

Your generosity is helping to build this first American foundation of cloistered Norbertine canonesses as we join you in sharing the great message of Emmanuel, God-is-with-us...

with your friends...

I heard from the recipients to whom I sent the wreath as a gift. They said it was BEAUTIFUL, and I've no doubt it was. This is such a beautiful outreach of your new community.

with your parish...

I had so many compliments this year above all for the beautiful decorations, and you surely made a difference. It was the best year yet! Looking forward to next year and working with you again! (order of 16 wreaths)

within your home...

Our beautiful wreath just arrived in Washington DC- Our Advent is now that much more fragrant and sweet.

The wreaths are wonderful. I've already hung ours in the entry. I am so grateful "The Sisters" will be greeting everyone who comes to our house for Christmas.

with your family...

I just need to tell you how lovely the wreaths are and that my family has been letting me know by email and phone calls how much they are appreciating your work in producing such beautiful wreaths. You have brought a lot of cheer with all your work and efforts.

Thank you again, sisters. I know the lovely wreath will bless my mother's home and all who see it this holiday season.

with your clients...

We received lots of positive feedback from our clients...thank you so much! (our largest order last year: 50+ wreaths across the country)

The wreaths are indeed arriving at their destinations and bringing delight to all. We all love them. They have such special meaning knowing the prayers, love and care that went into each wreath. Let us pray for one another during this very special advent season.
